**Re: Letter of Consent**

To whom it may concern,

Kildare County Council confirm that its Roads Department have liaised with Donnachadh O'Brien Consulting Engineers regarding proposal to install and upgrade surface water network in relation to a residential development adjacent the Oldtown Road in Celbridge.

The council have no objection to drainage works undertaken in the public roads as identified on the following two drawings for the purpose of the application and for no other purpose.

1. OLDCEL-DOB-00-DR-C-003.1 (PROPOSED SW LAYOUT)
2. OLDCEL-DOB-00-SI-DR-C-003.2 (PROPOSED SW DRAINAGE)

Capacity issues raised during meeting between consultants and the Roads M.D. Office on the 29<sup>th</sup> Nov 2018 will form part of this consent.

This consent does not confer any rights to O'Flynn Construction Co. LTD in respect of the lands identified outside their development and on public roads.

All works carried out on public roads must have prior written agreement from the Roads Department and shall have regard to necessary licenses, disruption to traffic, times of work and reinstatement requirements.

Yours sincerely,

Cyril Buggie  
Area Engineer  
Celbridge Leixlip Municipal District
